

HB 2255 -- DRIVER'S LICENSES

SPONSOR: Jones

This bill specifies that if a person is required to have an ignition interlock device installed on his or her vehicle, he or she may apply to the court for an employment exemption variance to allow him or her to drive an employer-owned vehicle not equipped with an ignition interlock device for employment purposes only. The bill prohibits this exemption from being granted to a person who is self-employed or who wholly or partially owns an entity that owns an employer-owned vehicle.

Any person granted an employment exemption variance under these provisions is prohibited from driving, operating, or being in physical control of an employer-owned vehicle used for transporting children under 18 years of age or vulnerable persons, or an employer-owned vehicle for personal use.
